# COURSES OUTSIDE OF THE TIMETABLE

## Courses Outside of the Timetable require an application to be completed.

R.E. Mountain Secondary offers some courses that run before and after the regular school day. These courses are not a club or extra-curricular activity; they are 4 credit BC Ministry courses.

Courses running before and after school have the same expectations as courses scheduled during the regular school day including regular attendance and demonstrated understanding of the curricular competencies. Some classes run for a semester and students are expected to attend Monday to Friday. Other classes are linear and run all year on set days. An application form, that can be picked up in the counselling office, is required for these courses. By choosing this learning option and completing the application form, you acknowledge the expectations of the course and the commitment required to be successful.

## **HYBRID Physical Education 10: High Performance – application required**

Hybrid Physical Education 10: High Performance will meet face-to-face 50% of the time and will be independent learning for 50% of the time. Students will be required to attend in-person either Monday/Thursday OR Tuesday/Friday and alternate Wednesdays (either Day 1 OR Day 2). Students who select this class should be athletes already involved in high level community sports.

This course is a 4 credit BC Ministry course. To be successful, students must commit to regular attendance of in-person sessions, complete independent learning activities/assignments and demonstrate understanding of the curricular competencies.

**An application form, that can be picked up from the counselling office, is required for this class.** By choosing this learning option and completing the application form, you acknowledge the expectations of the course and the commitment required to be successful.
